## FOREWORD

# MANHIGAN *Shows LIFE at* *Mansfield High is no Party*

An appreciation to picture magazines for the inspiration which offers the basis for the 1947 Manhigan.

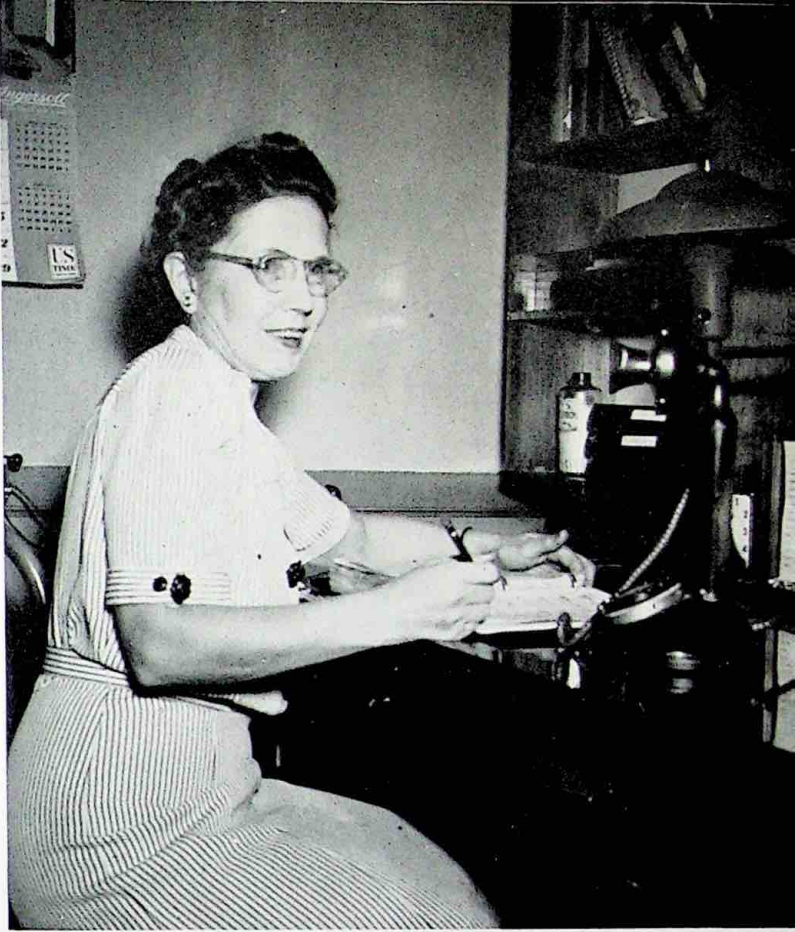

In this yearbook our object is to give you a pictorial story of Mansfield Senior High School in the present day.

This is a collection of memories of your high school life.

*Dedicates*  
*This Issue to*  
Mrs. Frances B. Hypes

The Manhigan inscribes this book to Mrs. Frances B. Hypes who, as school dietitian, has for over twenty years operated and supervised the school cafeterias in the senior and junior high schools of Mansfield.

Through her patient efficiency and cordial cooperation, noon lunches are prepared for

more than 3000 pupils and teachers; class banquets and many school dinner parties are served.

Because of her constant concern for our physical well being and her practical help on many social occasions the Manhigan is happy to dedicate this 1947 issue to our Mrs. Hypes.

# LETTERS TO THE EDITORS

## SENIOR WRITE-UPS—PRO AND CON

"As little discrimination as possible."

Dear Editors:

Your senior write-ups of last year were different, but it seems to me that they could have been made more eye-catching.

xxx

Dear Editors:

The senior write-ups of '46 Manhigan were interesting, but I don't believe that many people read them. The style in which they were written made it difficult to connect the picture with the write-up.

Editor's note: The plan in '46 was to show as little discrimination as possible—to make each senior appear equal to his brother.

xxx

Dear Editors:

The book of '46 was an interesting anniversary edition. I enjoyed leafing through it, but did not take the time to read many senior write-ups—they were too lengthy. Why not put them into table form—so that a glance will show whether the senior was active in athletics or Latin?

Editor's note: We have tried a new idea this year. We hope it will please all the seniors who have spoken to this half of the editorial team.

xxx

Editors getting new ideas?

Dear Editors:

I wish to tell you how much I enjoyed the last year's Manhigan, especially the individual paragraphs for each senior. You made the senior feel that he was a little more important than the underclassmen.

Editor's note: Could you think 'up new shots for every club every year?

xxx

## TEACHERS' ACTIVITIES

Dear Editor:

Realizing the extra work that some of the teachers do, I think that outside activities such as Red Cross, Hypho, Manhigan, or class advisor should be included in the statements under the pictures of the teachers.

Editor's note: Take note, Staff of '48.

xxx

## STUDENT PARTICIPATION

Dear Editor:

I wish you would include more pictures taken by students in your annual. It would make us feel more a part of the book.

Editor's note: We were fortunate this year to contract for one photographer to take all our pictures. He has tried to catch the interesting things happening around school.

xxx

## SPORTS WRITE-UPS AND PICTURES

"We're proud of girl-Athletes too."

Dear Editors:

Why can't the sport's editors write briefer and more pointed articles. I'd like to know about the football season and the basketball season at a glance. Pictures are read quicker than long paragraphs. I'm for more sports' pictures, both boys and girls.

Sirs:

Glad to see that Girls' athletics are receiving more attention in the yearbook. We who participate in girls' sports make up a high percentage of the high school. Keep up the good work.

Editor's note: We've tried to picture as many activities and events in that department as possible. Turn to page 98; we're proud of the girls in this school too.

xxx

## PLAUDITS FOR MANHIGAN

Dear Sirs:

I am indeed happy to hear that you and your staff have chosen to pattern your book after Life magazine. A theme using many pictures in modern and attractive arrangements is bound to be interesting and a change from previous annuals.

xxx

Dear Editors:

Orchids to the 1946 staff for putting out a good MANHIGAN. There were many new and interesting features. For example the pictures of the underclassmen was especially popular. The informal shots of students in the library and halls and gym classes added humor and interest.

Here's to a new and better book!

Editor's note: We've tried hard; now take a look at the 1947 MANHIGAN.

**Manhigan's Photographer  
MR. URBAN**

The senior portraits and many pictures in our Manhigan depicting the various school activities were taken by Mr. Joseph Urban, the Manhigan Staff photographer.

Mr. Urban was born and educated in Switzerland. His interest in photography began as a hobby and while living in Switzerland he took many pictures and sold them to visitors.

He served in the United States Army during the war and assisted in making training films. After his discharge two years ago, Mr. Urban continued in photographic work and opened a studio in Galion, Ohio.

A familiar face around Mansfield High School, Mr. Urban has worked hard and patiently to give us many entertaining pictures.

**CLOSE UP OF FACULTY**

MR. WILLIAM L. MILLER

# MR. MILLER..

SUPERINTENDENT OF MANSFIELD SCHOOLS

A smoothly run administration is an asset to any school system. For the past twelve years Mr. W. L. Miller has successfully headed the Mansfield schools. He calmly handles all the many situations that come to his desk, and always acts in the interest of the students and faculty.

## OFFICE OF THE SUPERINTENDENT

All schools in Mansfield are managed from the office of the superintendent. Mr. John Eisaman, clerk of the school board, Dr. Edwin

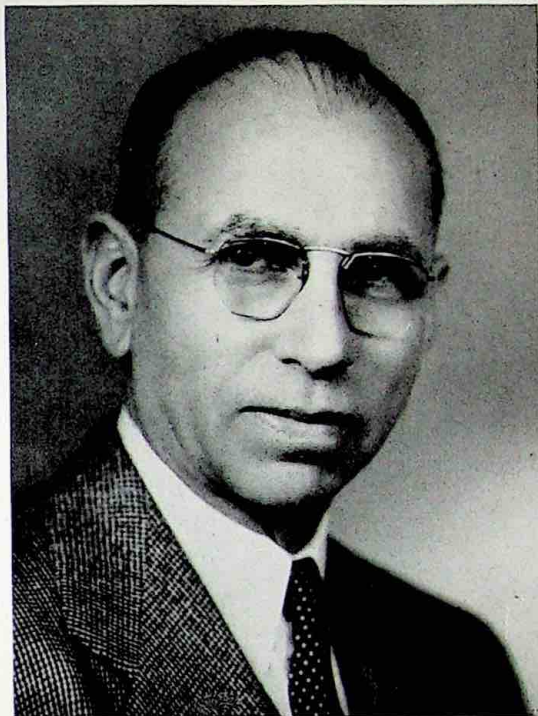

Fensch, school psychologist, and two office stenographers, Misses Esther Bishop and Regina Finney, aid in the work of school administration.

# MR. ROHLEDER

PRINCIPAL OF SENIOR HIGH SCHOOL

For the past six years, Mr. Glenn G. Rohleder has successfully filled the position of principal of Mansfield Senior High School. He quietly carries out his duties with assurance and efficiency. His wise council is stimulating and helpful.

MR. GLEN G. ROHLEDER

Mr. Rohleder smiles as he accepts the Manhigan.

Paper work is endless for the principal of Mansfield Senior High School.

The Deans . . . . MR. BISHOP AND MISS DANBECK

## ON DUTY IN THE SCHOOL OFFICES

The center of life at Mansfield Senior High School is the administration office. Since all of the many school activities evolve from the office, the advice and enthusiasm of those who keep it running smoothly are certainly a great addition to our school life.

Mr. Bishop, our assistant principal, is always ready and willing to help the students with their problems. His interest

in human nature and his many kindnesses have won him many friends among the students and faculty. His hobbies include working with young people, skiing, skating, bicycling, and an occasional swim.

Our dean of girls, Miss Pearl Danback, leads a widely varied life. She teaches regular classes in plane geometry; she helps the girls with their individual problems; and she efficiently manages the attendance office. Outside school she has displayed much talent in the finer arts—music and painting.

A friend to all is Miss Emily Brown, the office record-clerk. Her favorite amusements are reading and the theater.

New to the administrative staff this year is Mrs. Paul Bowles who is doing a very efficient job as Mr. Rohleder's secretary. Her spare time is well filled with reading and crocheting.

A smile for everyone . . . .  
MISS EMILY BROWN

A cheery voice . . . .

# 1947 SENIOR OFFICERS and CLASS HISTORY

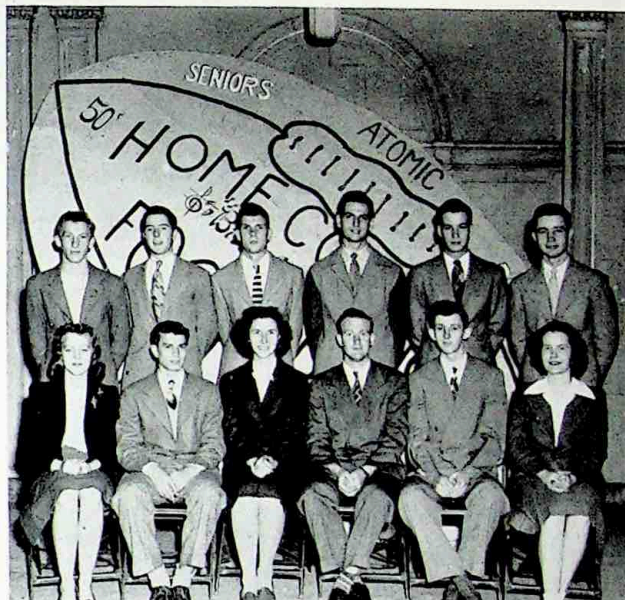

In the year of our Lord, Nineteen Hundred and Forty-Seven, 369 seniors, 190 boys and 179 girls, will graduate from Mansfield Senior High School. This class, the 101st to graduate, is the largest in the history of Mansfield schools.

The class, however, has not always been this size. The educational evolution started in 1935. Small groups converged into ten separate orbits: 160 at Bowman, 55 at Brinkerhoff, 42 at Bushnell, 39 at Carpenter, 76 at Hedges, 57 at Prospect, 108 at Newman, 41 at West Fifth, 39 at Western, and 26 at Woodland.

Six years later 564 units were compounded into neutrons and protons at John Simpson and Johnny Appleseed. The neutrons who led through the ninth year at John Simpson were Phillip Woolard, Roy Christ, Donald Burger, and Elsie Strolein. At Johnny Appleseed the guiding protons were Eugene Sauder, John Bishop, Joanne Fay, and William Werner. Directing these experiments were Mr. H. J. Dotson and Mr. G. W. Harmony.

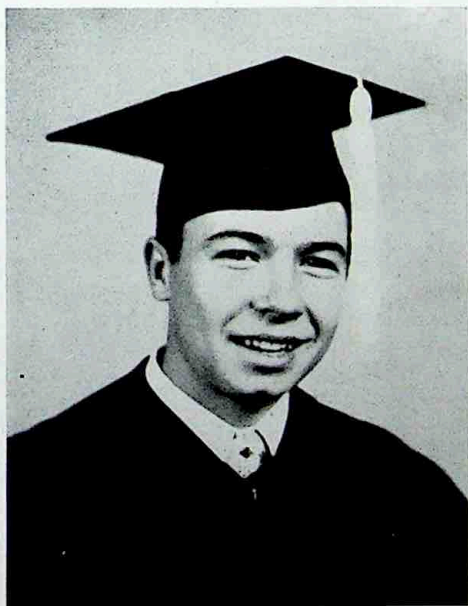

Then in the year 1945 the neutrons, 254 from John Simpson and 223 of the protons from Johnny Appleseed merged into a nucleus at the main laboratory, Mansfield Senior High School.

The leading ions in the sophomore year were Joanne Fay, Richard Flockencier, Doris Alverson, and John Bishop. The directors were Mr. Irvin Brune and Mr. Glenn Rohleder, assisted by Mr. Herman Bishop.

These twelve seniors direct and guide the Atomic Senior Class.

## IN MEMORIAM

In memoriam Robert Guthrie.

The next year Richard Flockencier advanced to president, Eugene Sauder to vice-president, Harold Amsbaugh to treasurer, and Doris Alverson remained as secretary. Mr. Fred Staub took over the directorship for the next two years.

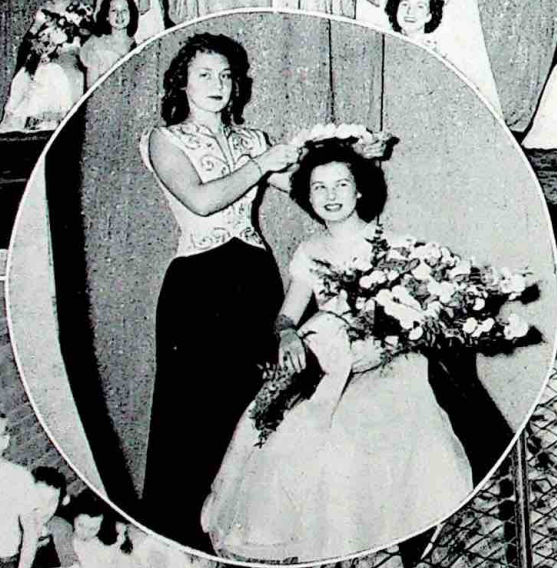

The atoms who have been leading through the last nine months are William Hallabrin as president, Eugene Sauder as vice-president, Patricia Lybarger as secretary, and James Garrison as treasurer. They have been assisted by the executive committee, Dick Flockencier, John Bishop, William McKee, Harold Amsbaugh, Robert Frere, James Stevenson, Doris Alverson, and Joanne Fay.

The physical activity for these twelve years consisted of athletics and drama. In the junior high sports John Simpson conquered Johnny Appleseed. Outstanding in senior high athletics are Oliver Cline, Ralph Majors, William McKee, Kenneth Horvath, and Tom Bloor. Leading the girls in sports are Waunetah Jarman, Eileen McBride, and Marilyn Miller. Head majorette for the band is Beatrice McCune. During the last year the senior class play "Spring Dance" was presented, in which John Bishop and Anne Parsons played the leading parts. A very successful banquet and dance was given in May for the departing atoms.

Our chemical activity resulted in scholarship. During the six years of high school many achieved recognition on the honor roll and honorable mention roll.

On June 4, Dr. Clark G. Knebler, president of Ripon College, Ripon, Wisconsin, will deliver the commencement address.

## SOPHOMORES BEGIN MAKING HISTORY

On March 18, 1947 the election of the sophomore class officers was held. From the group present, Harry Osburn was chosen president; Tom Swisher, Vice-President; Gizella Knafely, Secretary; Norma McCally, Treasurer.

This year the sophomores have been active in clubs, such as the Sophomore Hi-Y and the Blue Tri; many have joined other school clubs open to sophomores.

There was an interesting poll taken showing the relative number of pupils entered and withdrawn in the 1947 sophomore class. From Appleseed the boys entering numbered 105 and the girls 92, a total of 197. The students still in class are 99 boys and 86 girls, a total of 185; therefore, 12 students withdrew from school or moved from town. From Simpson the boys and girls totaled 255, boys 129, girls 126; the students still enrolled are 124 boys and 113 girls, a total of 237. This shows 18 students left school by withdrawals or have moved from town. From other schools a total of 30 entered Mansfield Senior High School, of which 13 were boys and 17 girls. Therefore, from Simpson, Appleseed, and other schools there were entered 236 boys and 216 girls or a total of 452; how many will graduate?

#### IN MEMORIAM DIANE ACKERMAN

## GANYARD AND TROLL LEAD THE '47 JUNIORS

Approximately four hundred seventy-five sophomores from the two junior highs brightened the hallways of Mansfield Senior High School in the fall of 1945.

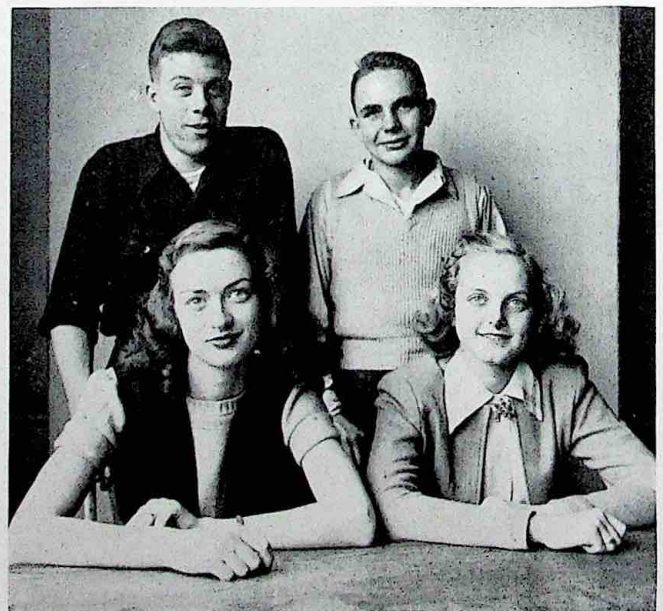

As sophomores we were occupied with getting acquainted with the school and its various functions. Near the end of the year we chose our officers. They were as follows: David Ganyard, President; Robert Troll, Vice-President; Nancy Osburn, Secretary; and Norman Henry, Treasurer.

The class decided this, our junior year, to retain the same officers. We chose Mr. Ralph Juniper as our advisor and he has served us well in that capacity.

The officers agreed that eight representatives of the class should be elected to augment the executive committee. They are Sue Biddle, Joan Freeland, Marilyn Heuss, Carl Hamman, John Park, Arthur Merschedorf, Don McFarland, and Bill McGraw.

Our aim has been to earn money toward our graduation. We hope to make Mansfield Senior High proud of the Class of 1948.

# PRODUCTION

## BEHIND THE SCENES

### A DEADLINE IS MET

It takes much hard work and many hours to produce a year-book.

Many heads get ideas, the ideas boil down into a central theme, and the book is briefly outlined. By this time the staff is organized with editors and assistants, faculty advisors and business managers. Pictures are taken, schedules planned, and assignments distributed.

Our advisers smile as the puzzle, pieced together, results in a book—The 1947 MANHIGAN.

# OF ANNUAL

Bids for engraving, printing, and covers are accepted early in the school year. A commercial photographer is usually employed for taking the pictures, and the biggest job — taking the senior pictures — is immediately worked off the agenda. This is followed by pictures taken around the school of underclassmen, organizations and all picturable activities.

The scaling of pictures to size, cutting, and mounting preparatory for engraving is a "factory-like" job with everyone at work on the line.

By this time the original plan for the book, known as the dummy copy, has changed appearances many times—much has been added and much rejected.

The editorial staff and typists finally take over, placing captions over pictures and writing the articles which must be checked and rechecked against errors and ambiguity. The printer receives the final type-written drafts and the engravings. He puts the two together and the finished pages are sent to the binder.

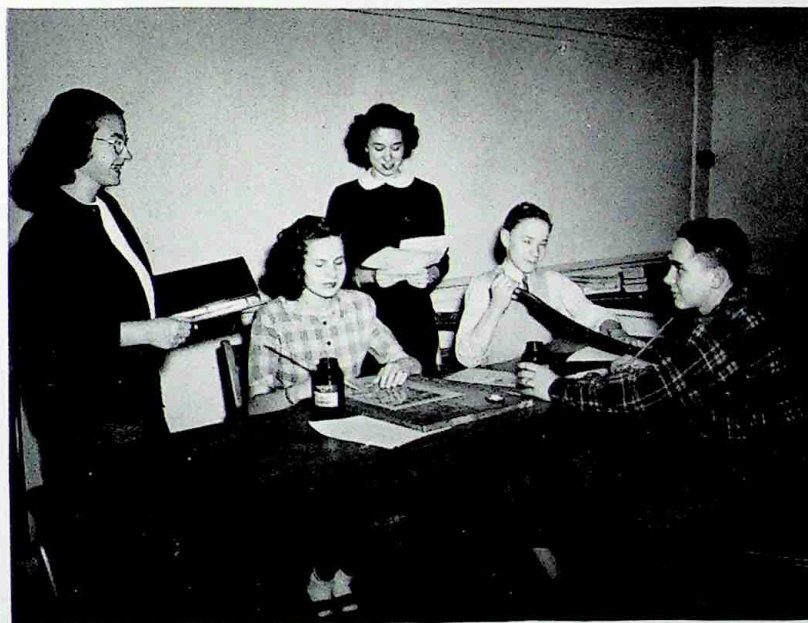

By the time April rolls around the staff is nervously eyeing the calendar, wondering if the printer got the pages to the binder, if the binder received the covers, and if the Manhigan will be ready for presentation and dedication on Class Day.

# Different Phases In Publishing A School Newspaper

Each reporter's assignment for each issue is posted regularly on the bulletin board in room 114. The students check this list and then set out to collect the story or interview. Here Margaret Ann Lindley gets Mr. Rohleder's opinion on a current school problem. She writes it up and turns it in to the proof-readers. After all mistakes are corrected, the article is typed. Then David Barnhill and Joanne Fay, editors, check to see if they have enough copy for the current issue. Mary Ann Bahl is also in on this conference because she, as business manager, holds the purse strings for the paper. After the paper is printed, one of the staff members brings the folded Hyphonerian's back to the school for distribution. Barbara Bailey prepares to carry a stack into the building.

# Hyphonerian

## The Voice of The School

Every three weeks on Friday a great event takes place — the issuing of the Hyphonerian. This is the school newspaper. The staff is composed of members from every class. To the juniors and sophomores fall the cub reporting jobs. The seniors fill the editorial and business editorships. There are thirteen different editing jobs on the staff; each one of the different departments has its own head.

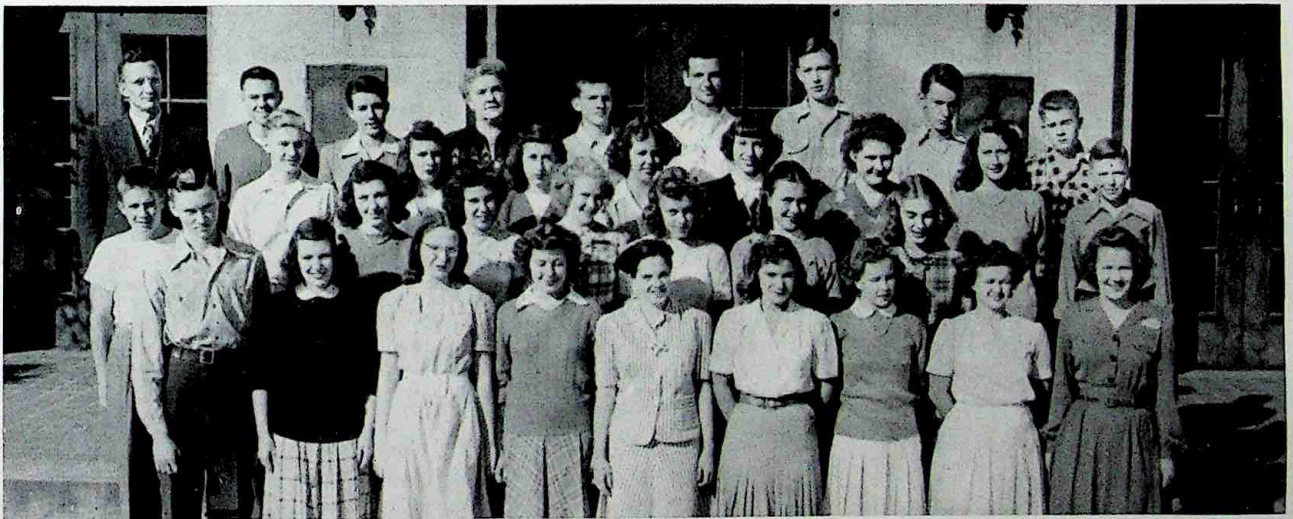

To keep up the heavy schedule of publication,

assignments for the next issue are handed out the week of the current issue. The home of the Hypho (as it is familiarly called) is Room 114 and its constant buzz of activities keep the whole school on its toes.

The entire staff is under the advisership of Miss Bertha Patterson and Mr. Harold Ramsey.

The Curtain Falls On Another Masterpiece of Acting . . .

In the tradition of the theater the senior class dramatic production for 1947 was a "smash hit". All members of the cast played

well their parts and deserved the tremendous ovation given them.

## "Spring

In the play "Spring Dance", (given by the Seniors this year), the action takes place in the living-room of a dormitory in a girls' college. This play, one of the late ones by Philip Barry, is a lively comedy.

The class dance is to be tomorrow night and the girls' dates are arriv-

All ends happily and the dance is a smash success.

## FUTURE ACTORS AND DIRECTORS IN ACTION

Here are pictured the various interests of the speech department. The novice experiments with acting; the public speaker works diligently to improve his grammar and diction;

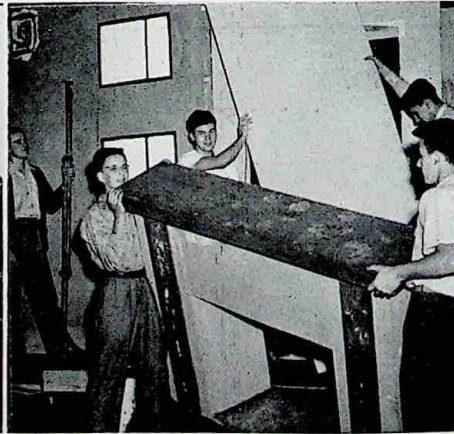

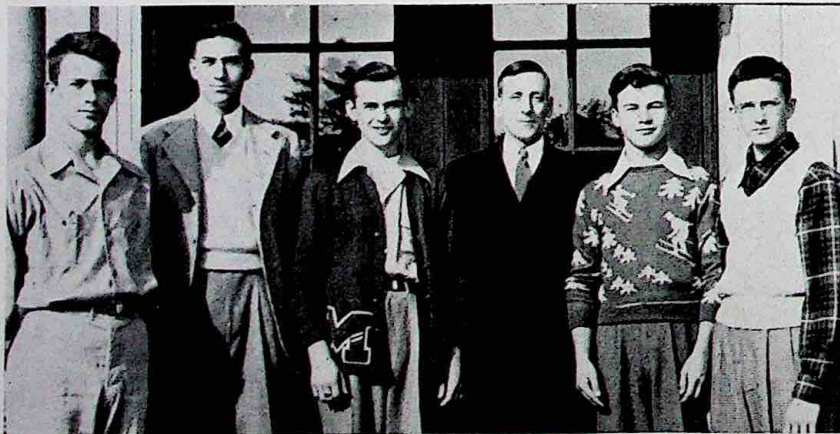

and the advanced students present an assembly.

Everyone is at heart a Thespian if only the latent talent hidden within him were brought out. To achieve this goal is the purpose of Mr. Earl Heasley. From a hopeful novice he molds a personality endowed with character, self-reliance and perseverance. The drama course, with its able leader, merits the recognition of all.

## THE STAGE CREW

The stage crew manages the technical side of all stage productions. Though their work is done behind the scenes, it is deeply appreciated.

## BAND - 1947

For the past quarter century Mr. J. Merton Holcombe has directed the Mansfield Senior High School Band. Organized in 1922 with twenty members, the band has grown until now in 1947 there are 64 playing members and 8 major-ettes. In 1926 and 1930 Mansfield won the State Championship for Class A Bands; and in 1927, sec-

ond place. A few years later Miss Cecilia Parsons won nation-wide recognition as a drum major-ette. This year two out-of-town trips were taken. A pep band of about 25 members provided music for basket-ball games, and the full marching band participated in all home foot-ball games, in numerous parades and civic affairs.

Each year the orchestra gives a Christmas concert, the proceeds from it going to benefit

crippled children. It is often called on to play for different social functions around town.

One of their most important activities of the year is to play the processional and recessional marches for Class Day and Commencement Day Exercises.

#### GROUP—

#### INSTRUMENTAL INSTRUCTION

A new type of classroom work has been added to our extra-curricula activities this year. It is the teaching of instrumental group music classes. Mr. Holcombe is shown instructing a group in French horn playing. These classes meet on the third floor in the band room during the last three periods of the day.

## STUDENT GOVERNMENT

Promotes Union Between Faculty and Students . .

On every other Tuesday night a very important meeting is held in Room 117. Here representatives from each home room gather to shape the policies of the student body.

Many different problems have been settled by this organization. Through suggestions originating with this group, many teachers have divided the class period more evenly between recitation and study. The council has arranged for the noon basketball games we now have every Friday. They have tried to show two or three movies a year for the entire student body. Last year the group put out the "Red and White Book" which is a handbook or guide book for Mansfield Senior High School. It is especially informative to the new student. Miss Kathleen Mendenhall and Mr. Harold Loesch serve as advisors to the Student Representative Council.

## WHAT MAKES THE GIRLS PHYSICAL EDUCATION DEPARTMENT TICK

When school opened last fall, a cheerful bustle prevailed over the girls' physical education office; someone new had taken over. Very soon, however, this lively blonde, Miss Marjorie Boals, was well known by everyone at Mansfield Senior High School. Teaching dancing, swimming, individual sports, and team sports in her classes, she is also adviser for the Girls' Athletic Association and Girls' Leader Club.

Miss Martha Weimer, the assistant director who spends her weekends at her home in Loudonville, teaches Junior English in addition to soccer, basketball, and hygiene. She has also very ably taken charge of the bowling tournament.

## GIRLS' ATHLETIC ASSOCIATION

The aim of the Girls Athletic Association is to maintain an organization for girls who are interested in sports. Such sports as basketball, softball, soccer, archery and volleyball provide an opportunity for girls to improve

their skill and to enjoy themselves while doing so.

In order to enter G.A.A. a girl must earn one hundred points by participation in varied sports. She is officially admitted after her initiation. Awards for high points are given at both the banquet in the winter, and the picnic in the spring.

The officers for the next year are elected by the club and are announced at the picnic, the final meeting of the year.

## GIRLS' LEADER CLUB

The Girls' Leader Club was founded for girls who wish to learn how to be good leaders. The aim of the club is to turn out an all-round girl. This organization provides the opportunity to develop leadership not only in sports but also in the community, home and social groups.

Each leader is given a gym class in which she practices instructing sports. Her work is to set a goal for those who wish to become leaders.

To enter the Girls' Leader Club a girl must show evidences of sportsmanship, scholarship, ability to lead, and dependability. New members are initiated at the picnic in the spring. The new officers are also named at this time.

# TEAM

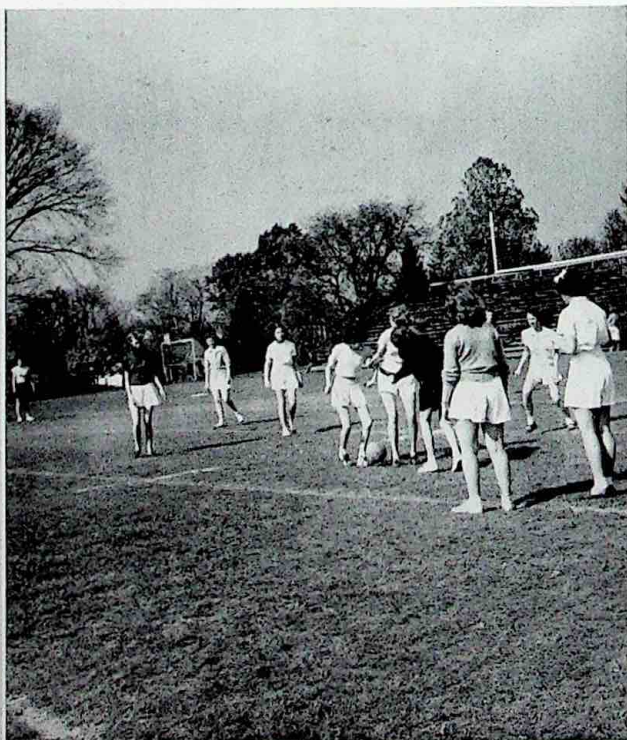

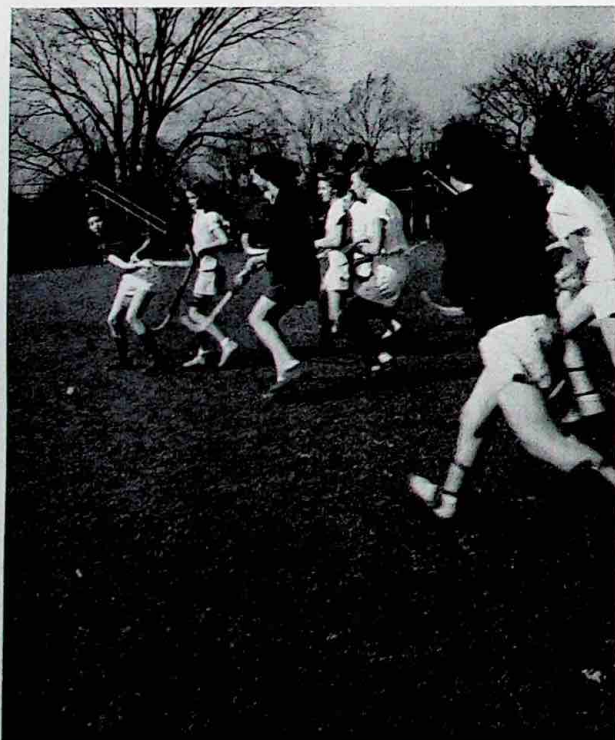

**Top**—Miss Boals keeps her swimming classes in trim.

Team sports consist of soccer, volleyball, basketball, and softball. The girls participate in these sports during gym classes or in tournaments. The season begins with soccer, which is played - weather permitting - after school, on the cinder field or the football field. At the end of this season the team captained by Waunetah Jarman was in first place.

During November and December the girls come to school early to play volleyball. The game usually starts off with

many yawns, but by the time it's over, everyone is wide awake. Again Waunetah Jarman led the winning team.

After Christmas vacation the girls begin early morning basketball games. The team which held first place was captained by Beverly Shipley.

\*Spring finds the girls patiently trying to hold a softball tournament after school in the afternoons, but the April showers sometimes offer too much competition.

No, it's not a ballet, it's a game of volleyball.

Don't let her make that basket.

# INDIVIDUAL AND CO-RECREATIONAL SPORTS...

In the classes for individual games, shuffleboard, duck pins, badminton, and pingpong are offered. These classes meet twice weekly and in them the girls learn the rules, the fine points of play, and the scoring. A pingpong tournament was held during January, February, and March.

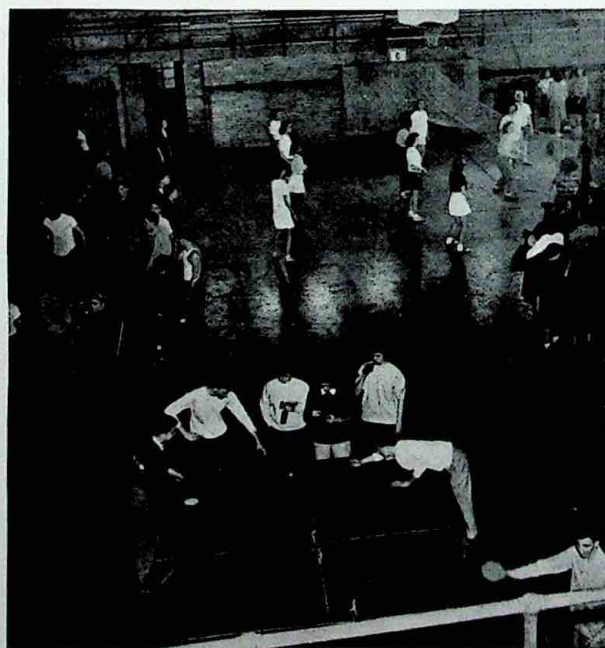

A combined committee of G.A.A. and M Association members make up the governing board of the co-recreational activities. These activities—ping-pong, volley ball, dancing, cards, or any sport desired—take place in the gym on Friday evenings, with every student invited.

# SPORTS HIGHLIGHTS

# FOOTBALL

Here's the season's record for the Tygers on the gridiron: won seven, tied two, lost one—and here's the reason why.

Our line averaged about 205 pounds per man with a backfield of approximately 180 pounds. The line went like this—ends, Henke and Sinerson with Amsbaugh seeing a lot of action; tackles, Rondy and Boals, with Beard, Marth, and Logan in there frequently; guards, Richards and Gross backed up by Mollica; center, Wentz with Emerson (who also played end) substituting regularly. This was the gigantic forward wall which opened the holes in the opposing lines for the backs to come through for their gains. Here are the backs: halves, Majors and Cline; full-back, Horvath (who broke his leg in practice after the Massillon game) backed up by Osburn and McKee (who took over the starting position after Horvath was out of the lineup); blocking back, Frisbee with Gagich substituting.

**VARSITY FOOTBALL SQUAD**

**First Row**—Brandt, Sowash, McCarrick, Ziegler, Letizia, Daley, Douvill, Gorsuch, Doyle, Rondy, Mollica, Henke, Richards.

**Second Row**—Miller, Flockencier, Elias, Paetsch, McCullough, Bebout, Roberts, McKee, Cline, Majors, Gagich,

Weaver, Horvath.

**Third Row**—Sinerson, Layacona, Nixon, Logan, Emerson, Gross, Marth, Amsbaugh, Boals, Beard, Frisbee, Wentz, Lindsey.

The Tygers amassed a net yardage of 2598 while picking up 223 points during the season. They held their opponents to 1474 yards and 111 points.

Ralph Majors was chosen as the team's most valuable player of the year and was presented with the trophy at the annual News-Journal Football Banquet. Kenneth Horvath was selected to play in the annual North, South, high school classic.

McKee breaks away for a touchdown against Sandusky.

## TERRIBLE TYGERS HAVE TERRIFIC SEASON

### TYGERS ROLL OVER MARION 33-13

Before a crowd of 6,500, the Mansfield Tygers rolled over a bewildered Marion eleven in the season's opener. The Tygers, spearheaded by the brilliant running of Kenny Horvath, scored twice in the first quarter and once in each remaining stanza. Early in the first quarter an off-sides penalty put the ball on the two yard line, and on the following play Horvath plunged over. Cline intercepted a Rae pass on the 35, and after two smashes by Horvath, Majors dashed eight yards around left end for the tally. Frisbee's kick for the point was good. Horvath scored in the second from the eleven, after a sustained march from our own 32. Again in the third period, Horvath went over from the six, after Cline had intercepted a pass. Gagich kicked the point. Marion scored from the one yard line, climaxing a 60 yard drive. Horvath scored again in the final stanza from the two, after some brilliant running by McKee and Cline. Frisbee split the up-rights. Marion's final tally came on the last play of the contest which was a 55 yard lateral pass. They plunged for the point.

An outstanding defensive game was played by Mansfield's two tackles, Beard and Boals. The home team rolled up 308 yards by rushing, while the visitors gained 46.

### MANSFIELD TOPS CLEVELAND EAST 7-6

The Tygers ran up against a powerful aggregation from up Cleveland way in their second clash of the season. Unlike the first game, the opposition was really out there giving the boys the works. During the first quarter it was give and take, with Cleveland a little bit more on the taking side, since the Tygers fumbled the first two times they touched the ball.

All the scoring came in the three minute period late in the second quarter, when Matusa capped a 30 yard drive with a short burst over center to score for East.

Then Mansfield turned on the offensive heat when Cline uncorked a brilliant passing attack. Four aeriels in a row were completed for 10, 16, 38, and 5 yards to put the ball on the two yard line, where Majors took the ball from Cline on a quick opener off the "T" to make the counter. Frisbee split the up-rights for the point to make the score 7-6 in the Tygers' favor.

It wasn't until late in the game that East threatened to score again by a desperate passing attack, but this was nullified when Bob Rondy and Majors intercepted. Henke and Wentz stood out on defense for the Snydermen.

## TYGERS BEAT SANDUSKY 55-2

While Sandusky was beating its brains out to gain 91 yards, the mighty Tygers were rolling up a tremendous total of 355 yards and 13 first downs. Majors scored the first "TD" for the Tygers late in the first stanza, then Horvath picked up two touchdowns early in the second period. McKee, a substitute for Majors, scored once in the second from the 14, and twice in the third on runs of 10 and 32 yards. Frisbee's marker came early in the final quarter and the last touchdown was made by Harry Osbun, substituting for Horvath. Frisbee's educated toe saw seven of the eight extra points split the uprights. He could not attempt the eighth, for the pass from center was wide. Sandusky's first points of the season came late in the last quarter, when two consecutive 15 yard penalties put the Tygers back on the one yard line. The next play, Cline's attempted pass to Horvath was incomplete behind the goal, thus making an automatic safety and two points for the opposition. This was the worst defeat ever handed to a Sandusky eleven.

## MANSFIELD DEFEATS PORTSMOUTH 14-7

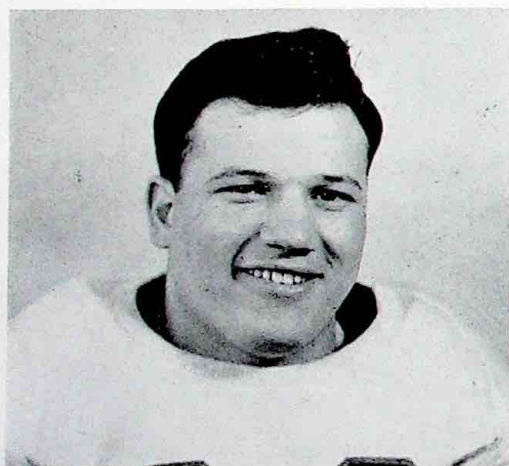

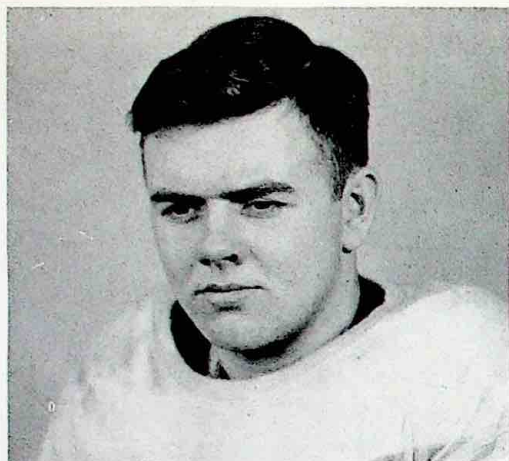

The Tygers made good on their first road trip by defeating the Portsmouth Trojans, who had been classed as the number three team in the state. Horvath scored in the first quarter around end from the four after an exchange of fumbles and a sustained drive from the 49 yard line. Although the Bengals threatened three times, there was no more scoring until the final period. Portsmouth fumbled on their own 23 and Dave Richards recovered. Horvath and McKee alternated in carrying the ball to the eight and then McKee scored on a fast end sweep. Frisbee kicked both extra points. The Trojans' only score came in the final period when Journey fumbled close to the goal line; the ball rolled over and a Portsmouth's player fell on it for the tally.

Majors was the leading ground gainer for the Tygers with 124 yards in 18 carries and 44 yards on two pass catches. Horvath netted 70 yards on 18 attempts. The entire team played great defensive ball throughout the game.

## MANSFIELD SWAMPS SPRINGFIELD 33-0

In Springfield the Tygers were greeted by a slippery, wet field and had to battle, not only a stubborn Springfield team but also the weather, to come out on top of a 33-0 score. Kenny Horvath scored three of the five touchdowns, with McKee and Majors each tallying one. Frisbee accounted for the remaining three points by placements after the goals. The longest run of the evening came near the end of the game when Majors tossed a flat pass to Bill McKee, who tucked the ball under his arm and dashed 85 yards, twisting and turning and dodging potential tacklers, until finally he reached pay dirt. This was the longest scoring play of the season.

The Tygers gained 311 yards to 86 for Springfield, while obtaining 14 first downs.

### MASSILLON TIES MANSFIELD 12-12

The Tygers had to fight valiantly to keep their record clear of defeat. The first quarter saw the ball exchanging hands back and forth with long drives, but little scoring.

It wasn't until late in the second stanza that Massillon drew first blood after plunging three times from the one yard line. The kick for the point was low and the half score stood at 6-0—Massillon out in front.

Mansfield came back strong the second half after Cline's 18 yard return of the kickoff; Majors and Horvath alternated carrying the pigskin to the Tiger 33. Here Horvath took over and carried eight times in succession to score from the two. Massillon drove 80 yards for their second "TD" following Cline's kickoff.

Bill McKee sparked the drive for Mansfield's tying tally by returning the Tiger kickoff 30 yards. Majors went wide around end from the six without an opponent touching him to score. Frisbee's "educated toe" must have been illiterate this game, for neither placement was good.

### TIMKEN TIES TYGERS 6-6

The best of teams have "off-nights," and the Tygers were really "off" at Canton. It seemed that nothing went right; if it hadn't been for two desperation passes in the final minutes of play, Mansfield would have come out on the lower end of a 6-0 score. Maybe this close game was caused by the absence of Kenny Horvath, our hard-driving fullback, who had broken his leg in a practice session during the week. Harry Osburn, playing in place of Horvath, and McKee both picked up 25 yards while Majors was going for 29. The tying play was a toss by Majors from the 25 to Cline in the end zone. Two plays before this, Cline had thrown from his own 13 to Majors, who went to the Trojans 25 to set the stage for our scoring play. Bob Rondy was a standout on defense.

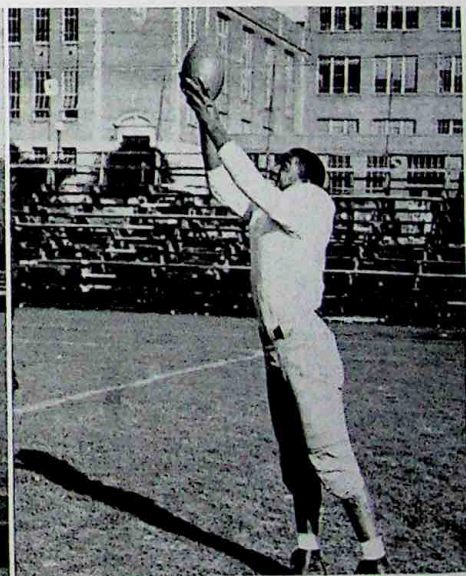

HAROLD AMSBAUGH, END

JIM SINERSON, END

Frisbee, "the educated toe", splits the uprights as Cline holds.

A pass is caught by Majors at a practice session.

## MANSFIELD LOSES TO WAITE 32-7

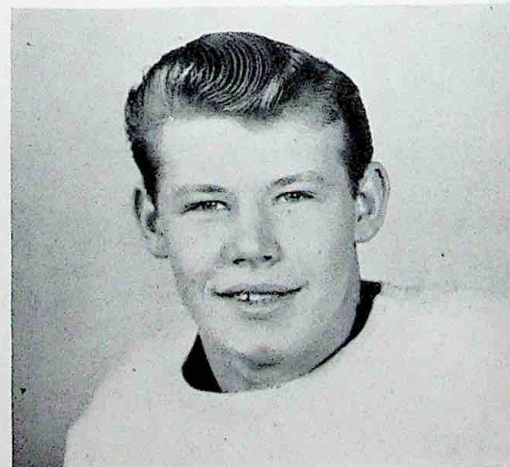

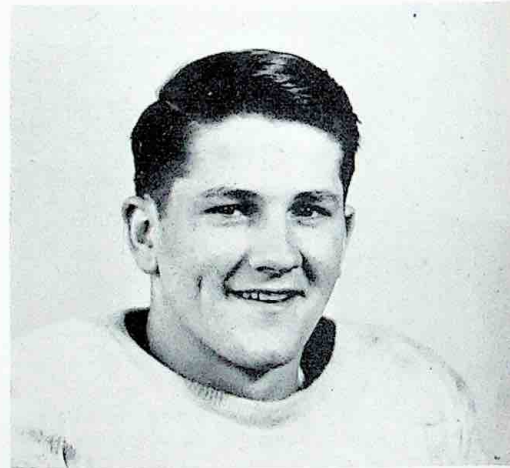

Toledo was the Tygers' Waterloo. Although they were behind 6-0 with only 20 seconds gone in the game, they fought hard but couldn't click. After Carson tip-toed up the side lines to score on the opening kick-off, Mansfield came back strong to drive 96 yards to the Indians' two yard line, only to fumble.

Toledo Waite made two first downs in the opening while scoring four touchdowns. The second half was all Mansfield with long, sustained drives and hard, rough blocking and tackling.

The Tygers were on top with 182 yards gained from scrimmage to 132 for Waite. The Tygers completed four passes for 62 yards, Waite had four for 43 yards.

The Bengals' score came in the final period with Majors sweeping the end from the 20, climaxing a 70 yard drive.

Majors and Carson were the standouts of the game. Ralph streaked for 92 yards in 13 carries and accounted for our lone score. Carson made only 49 yards in 10 trips but scored three "TD's" for Waite.

### TYGERS NIP RAYEN 24-19

Majors put on a splendid personal show before a huge homecoming crowd. He accounted for three of our four "TD's" and gained 201 yards in 20 carries. Besides this amazing total he also caught three Cline passes for 89 yards.

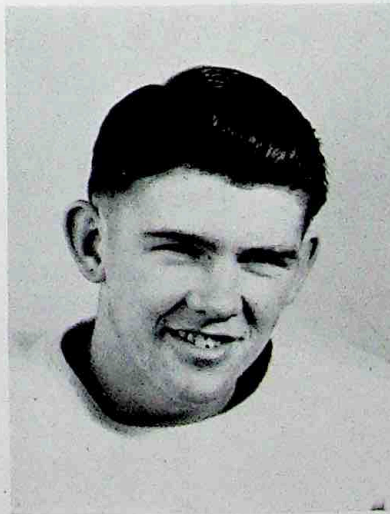

Our other touchdown was made by Henke who received a 43 yard Cline pass on the 10 yard line and jaunted over. McKee added a six pointer too, but it was called back because of an

infraction of the rules. The Tygers accumulated 450 yards in all and completed 6 out of 10 passes for 152 yards.

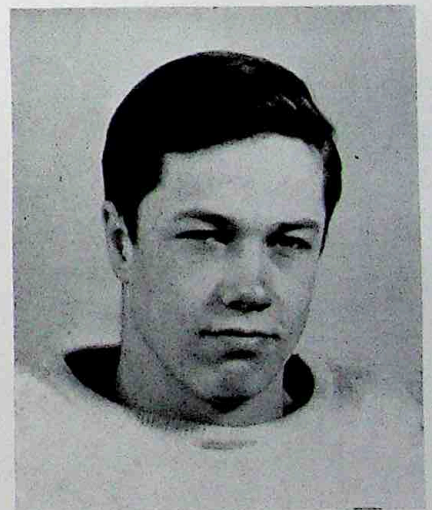

The close score does not accurately tell the story of the game, for the Tygers put on a brilliant show. Although Penn of Rayen played a beautiful game, Majors was by far the standout. McKee and Boals were both injured, but not seriously.

#### MANSFIELD MASHES MARTINS FERRY 32-14

The Tygers finished a wonderful season by defeating Martins Ferry by the impressive score of 32-14. Everything we did seemed to go right, although Frisbee and McKee were injured slightly and were out of the game part of the time. Osburn, substituting for Bill, came through with two of our "TD's" while Gagich, playing for Frisbee, tallied one. The Bengals' other six pointers were gathered by McKee, and one by Henke after catching a Cline pass on the 10. Majors and Frisbee each tallied a point after touchdowns.

Mansfield out-rushed Ferry 305 to 42 yards and compiled 16 first downs to eight for the Purple and White. Martins Ferry out-gained the Tygers by 44 yards in the air, 146 to 102.

Snyder cleared the bench long before the end of the game as the Tiger tide ran wide.

Coach Harry Mehock, City Athletic Director, has displayed a keen interest in training boys in the Olympic contests.

## CROSS COUNTRY TEAM HAS A SUCCESSFUL SEASON

Few people paid much attention to our great cross country team, but they didn't need a huge following to win all their meets and become the district champs. Yes, they had an undefeated season.

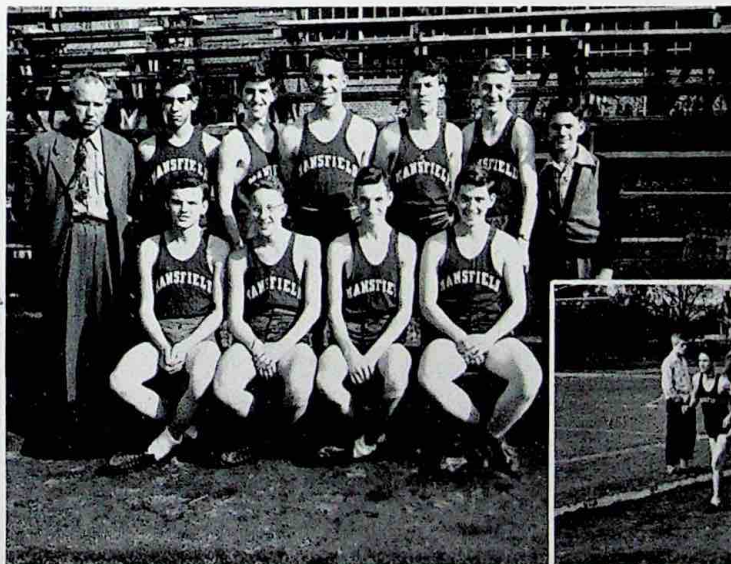

Here are the teams that went down to defeat under the hard running of our thin-clads. Newark 26-31, Ashland 21-35, Fremont Ross 23-33, Columbus West 18-39, Cleveland Rhodes 24-32, Ashland 19-46 (the return meet.)

Joe Schoop, Pete Vogt, Harold Leppert, Bob Kibler, and Jim Schuler were the "low" point men. The object is to get the least number of points. You see the winner gets one point and second gets two and so on.

The Tygers won the district meet with Pete Vogt and and Joe Schoop placing 1 and 2 on the Ottawa Park course at Toledo. Seven men participated for each school but only five counted in the scoring. Harold Leppert was sixth, Bob Kibler 19th and Jim Schuler was 22nd.

Mansfield placed seventh in the state meet with Pete Vogt taking 18th place. The meet was held on the two mile Coolridge golf links course.

Bottom Row—R. Sheetz, J. Kibler, J. Schopp, P. Vogt.  
Row Two—Harry Mehock, Coach, H. Leppert, J. Schuler, E. Carlisle, A. Poorman, P. Schopp, Manager.

# BASKETBALL

This was indeed a season of thrillers. Although the team was one of the smallest to come out of M. H. S. for a long time, they came through the season far better than what was expected. Their record was 14 wins and 7 losses in the regular season of play and 3 wins and one defeat in tournament play.

The Tygers ran up a grand total of 884 points during the regular season while their opponents scored 842. That means that we averaged 42 points per game and our opponents averaged 40.

Tom Bloor was the leading Tyger scorer with 91 field goals and 27 free throws for 209 points. He scored 45 points during the tournament for a grand total of 254 points.

All five of the starters scored over 100 points. This shows that the tygers had a well-rounded team and excellent team work.

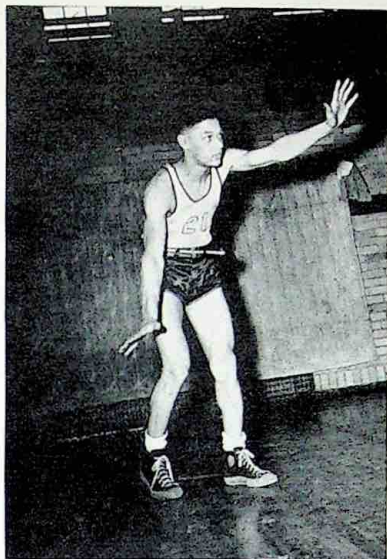

Coach Hoffman, varsity mentor, explains a play.

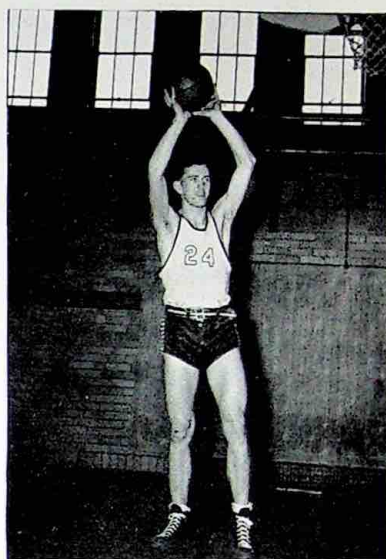

The terrifice Tygers: Bloor, Majors, Sisco, Gagich, Cline.

Here's how the scoring stands. Bloor 254 first, Gagich 215 second, Sisco 195, Cline 176, and Majors with 145.

## THE SEASON'S RECORD

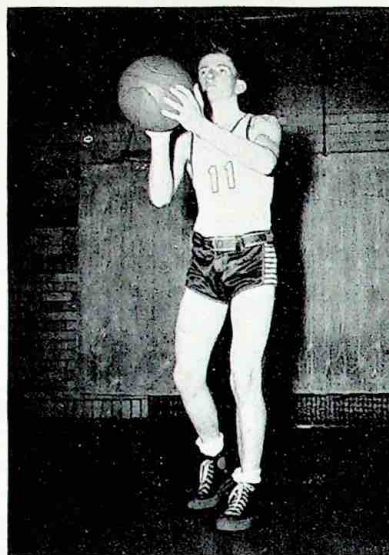

The Tygers opened their season by defeating an alumni team in the annual clinic by the score of 42-27. Gagich tallied 10 while Cline and Sisco each scored 9. Cline led the scoring against Wapakoneta with 16 points in the second game. We won 32-23. Majors missed the bus on the first road trip and Mansfield lost their first game of the season at Bellevue. The score ended, Mansfield 47, Bellevue 53. Sisco was high with 16, Bloor got 14.

One of the many thrillers was played on our home floor. The Tygers squeezed past a stubborn Cleveland Collinwood five, 36-35. Bloor led with 13. Lima South was our next victim; the score 42-37. Ten points each were made by Bloor and Gagich. The Tygers broke even in the Cage Carnival. They nipped Toledo Libbey 41-40 the first night and were taken by a strong Columbus Bexley team by a score of 62-40. Cline was high with 19.

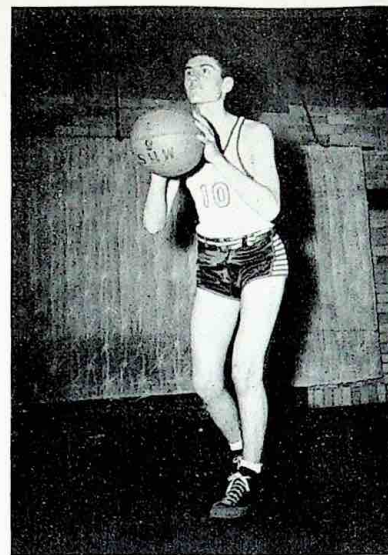

Nick Gagich, guard

Tom Bloor, forward

Shelly Swank, guard

You had to have good nerves to follow the Tygers this season. Here is another one point victory. Elyria 34, Mansfield 35. Bloor tallied 12. Lima Central squeezed out a victory over the Tygers. The score 43-45. Gagich got 15. A strong Ashland team had a hard time edging out a 49-43 victory in a hard fought battle. Their last quarter splurge turned the tide. Gagich and Sisco got 15 and 12 respectively.

The Tygers upset a surprised New Philadelphia five on the New Philly court. The score was 44-34. Bloor tallied 12. Springfield was next on our upset list. The Hoffmanites came from behind in the second half to win 33-29. Gagich hit for 13. Tiffin Columbia was an easy victory for the Tygers. Hoffman sent in the second five early in the third quarter. The final score was 44-37. 13 points were credited to Bloor.

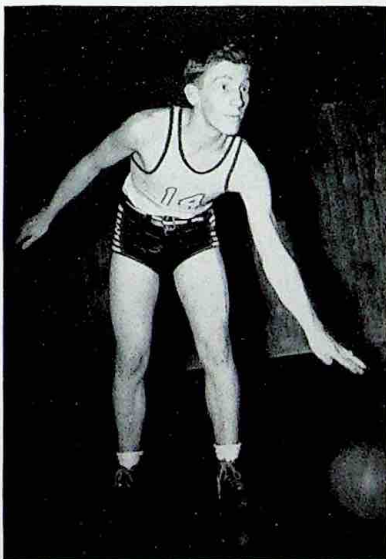

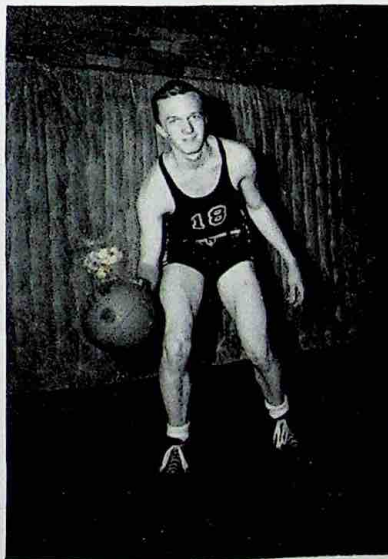

Sisco, the Tyger center, stretches for a bucket while the Warren Presidents look on.

Nothing seemed to go right at Fremont Ross. We were out-scored by a poorer team 37-31. Sisco led with ten points. The Tygers ran up the largest score of the season while defeating the strong Warren Presidents 64-46. Gagich and Bloor shared the scoring honors with 16 points each. The return match with

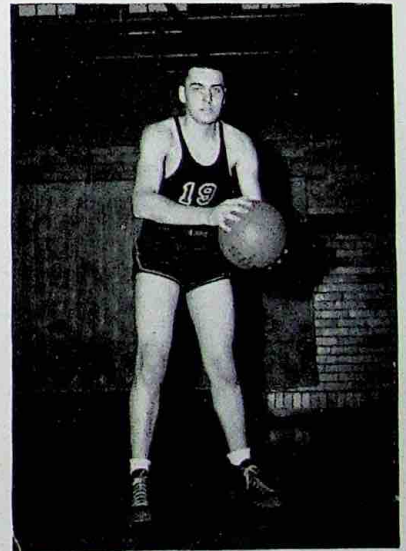

Ashland went our way. Cline found the hoop for 16 points while holding Messner to 14. The final score was Mansfield 47, Ashland 39. Bloor scored 17 points to lead the Tygers to a 43-42 victory over Youngstown Rayen, another one point thriller.

Dick Flockencier, forward

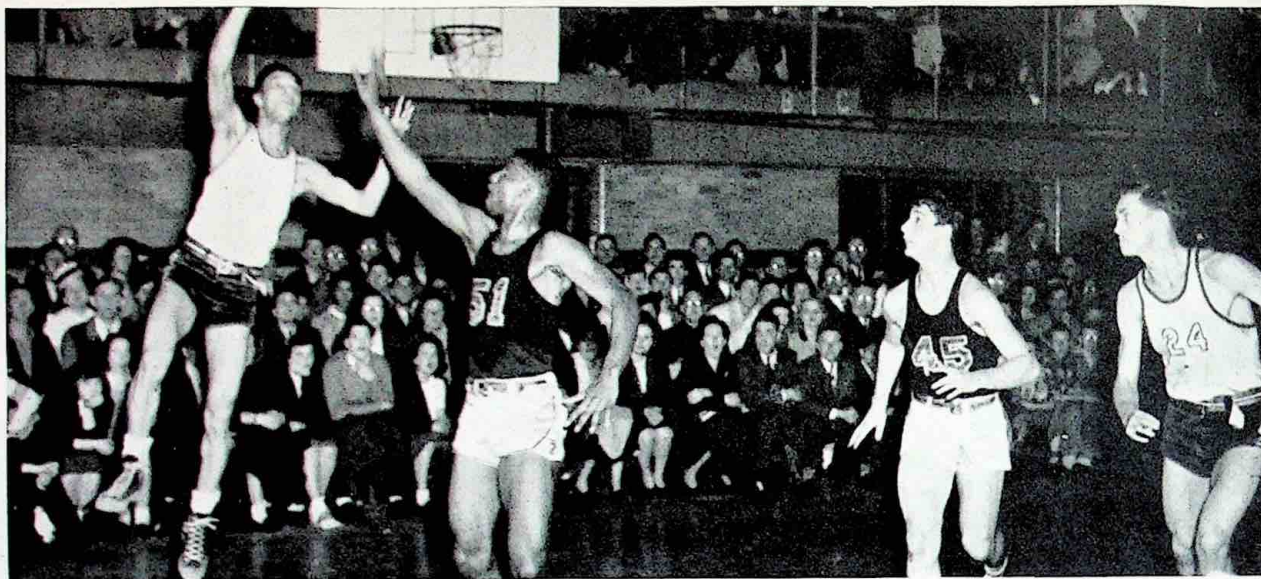

Phil Pittenger, guard

Jerry Robfogel, forward

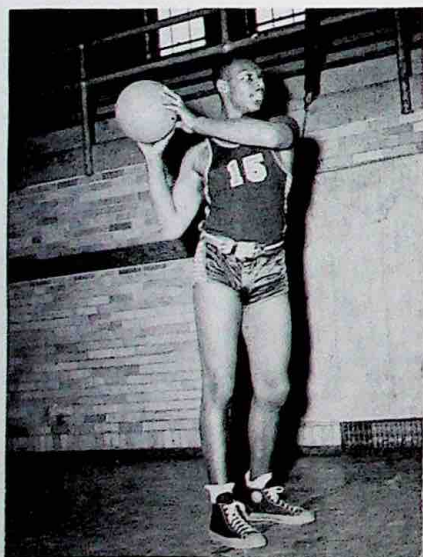

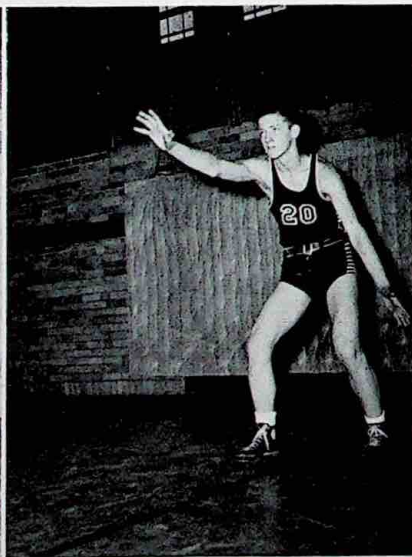

Cline goes up for a two-pointer against McKinley.

The Blue Streaks upset the Tygers on the huge Sandusky court by a 35-29 decision. Gagich was high with 7. The Mansfielders won a 45-36 victory over a stubborn Lorain team in the Tyger lair with an 8 point rally in the closing 70 seconds. Majors led with 11 counters. Sparked by Majors' brilliant work

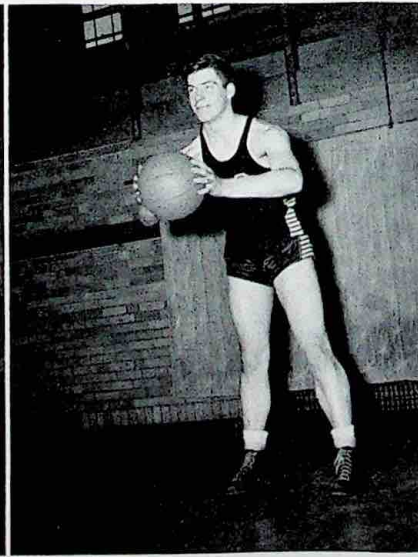

under the backboards and bolstered by his 15 points, the Tygers tripped the Massillon Tigers 52-44. A mighty Canton McKinley five robbed the Hoffmanites of a victory in the last game of the season. The final score was 58-41. Gagich and Bloor each got 13 counters.

# DISTRICT RUNNER-UPS

In the district tournament held at Sandusky the Tygers played brilliant ball.

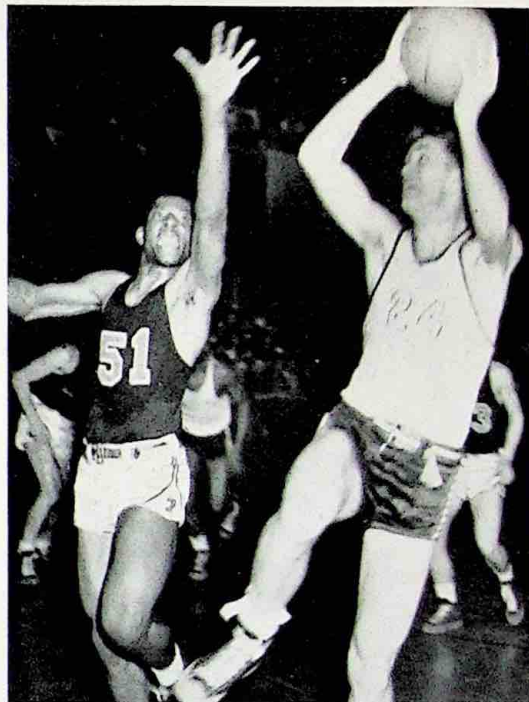

In the first game Mansfield skipped easily by a bewildered Fremont Ross team 50-37.

The second game proved a little tougher, but Mansfield scored seven points in the last four minutes of play to come out on top of a 43-38 score with Sandusky, who also had beaten us in our regular season play.

Bellevue defeated Mansfield during the season too; but we took them in stride at Sandusky to win our third tournament game and enter the district finals. The score was 45-38.

Ashland and Mansfield played off the district finals with Ashland coming out with a 41-39 decision. The score was tied with 15 seconds of play in the game. It looked like an over-time when Dick Messner, Ashland forward, stole the ball and dumped a lay-up shot to give Ashland the game. Coach Hoffman was presented the District runner-up trophy after the hard fought tilt; thus ended a most successful season.

Tom Bloor was named on the third team all-Ohio squad as chosen by the International News Service. Cline and Majors made honorable mention. Cline and Majors were also named on the all-tournament team; Bloor and Gagich gained honorable mention.

Sisco takes a shot (top) after Bloor passes off (below) in the fast action of the McKinley game.

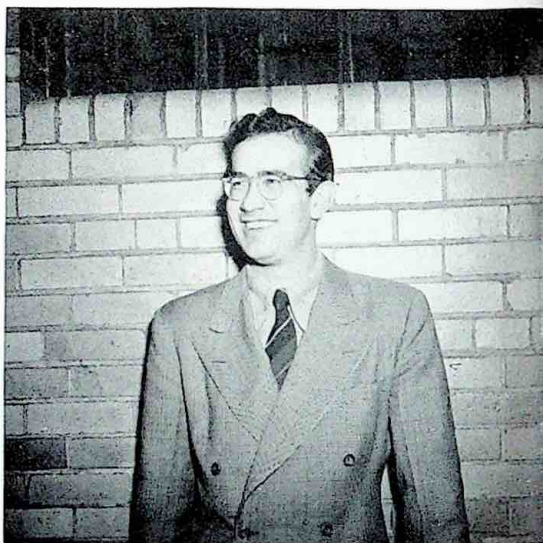

# RESERVES

The reserve team is made up of all sophomores who travel with the varsity and usually play the preliminary game before the varsity tilt.

Weaver and Carver started at the forwards, Shibinski at center, and Ferguson and Osbun played guards. McKown and Russell saw plenty of action while substituting at the forward and guard positions.

Although they didn't have a very successful season, they never gave up and showed the traditional fight of any M. H. S. team. This is the varsity of the future and it is sure to be a good one.

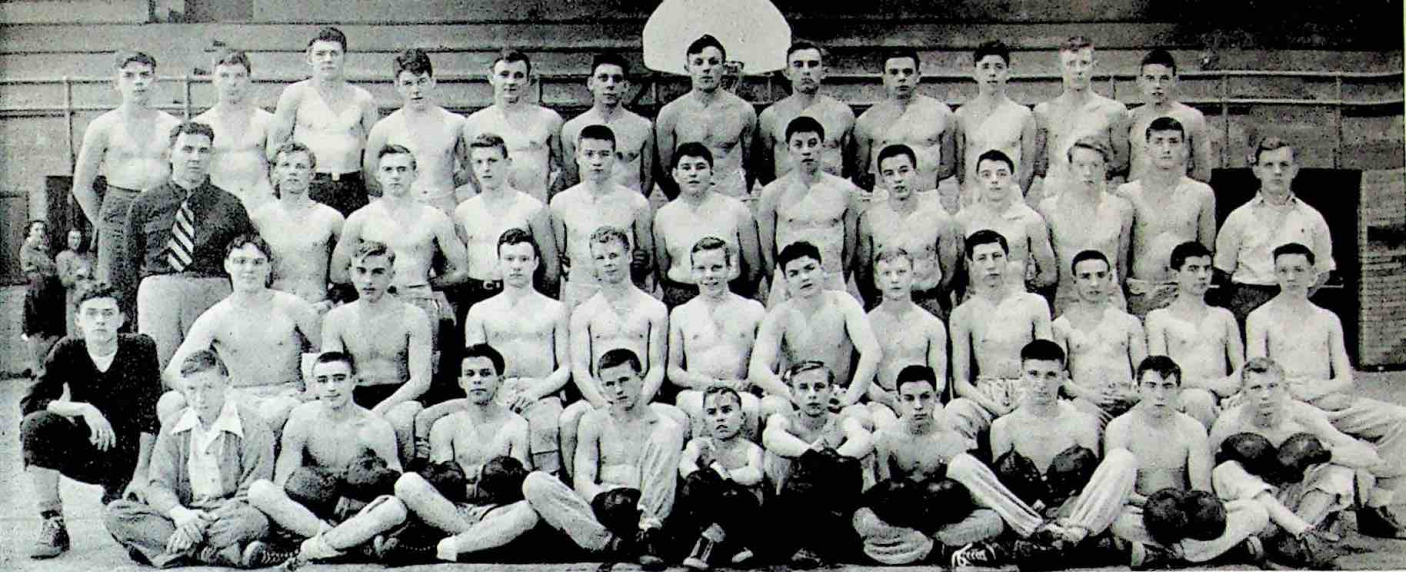

Coaches Lympers and Staub hold the reins of the reserve squad while assisting Hoffman with the varsity.

Bottom Row—D. Crouse, J. Letizia, B. McKown, T. Taddeo.

Row Two—P. Ferguson, B. Weaver, N. Schibinski, M. Russell, K. Carver.

#### BOXING SQUAD:

## BOXING

These boys work out in the coliseum most of the winter so they can box in the two evening shows held in the spring.

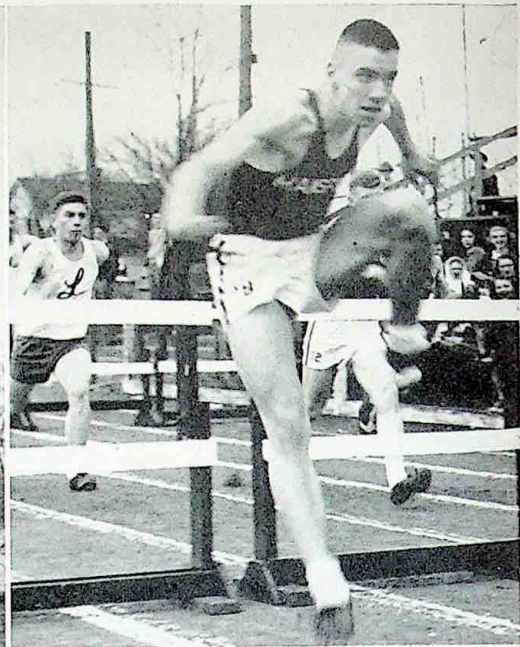

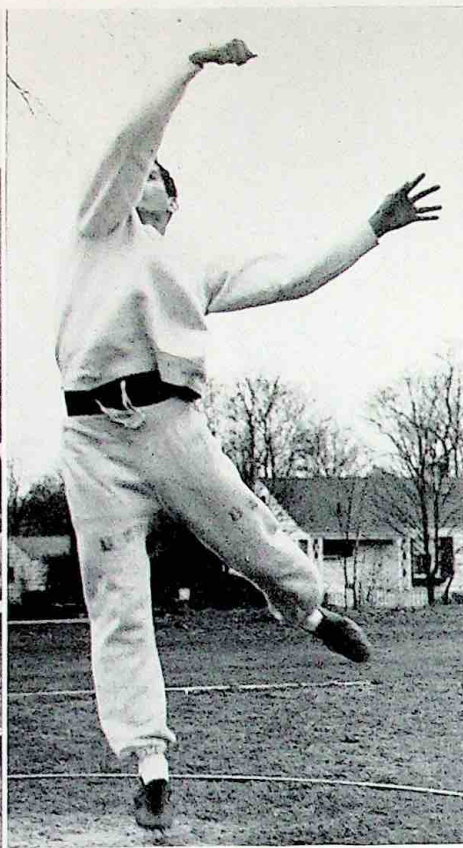

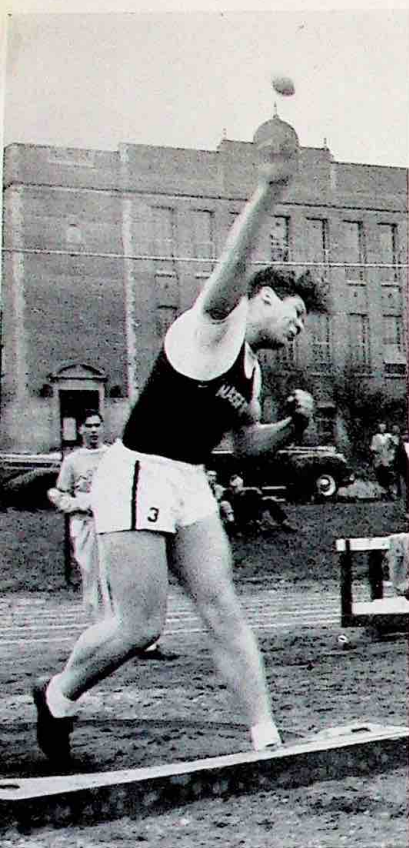

Boxing was started only two years ago and has grown into an outstanding sport. This year there were twenty-five bouts the first night with the winners pairing up to battle for the golden gloves in the second evening show.

The boxers are under the tutelage of Coach Snyder.

The Boxing Squad works out in the gym building up for the two all-important nights of April 2 and 3.

## ACTION ON THE TRACK

**Upper, left to right:** Boals throws the shot-put; Sinerson excels with the discus; Bricker jumps the hurdles.

**Center:** McKee and Beard finish close in the 100-yard dash.

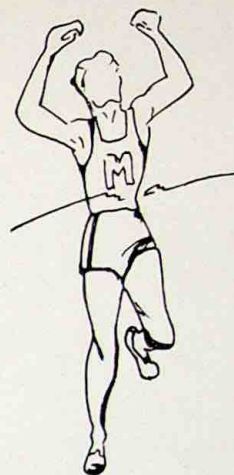

**Lower, left to right:** O. Cline tries for 20 feet in the broad jump; Vogt comes in ahead in the mile-run.

## MANSFIELD HOST TO RELAYS — FIRST SINCE WAR

Revival of the Mansfield Relays, one of the biggest track events in the nation, once more put track in the spotlight.

The coliseum was the scene of much activity this spring with Catch Mehock whipping the team into shape while there was still snow on the ground.

The Mehock men have won all of their dual meets so far by huge margins.

This year Mansfield has a very strong ag-

gregation with Bill McKee, sprintman; Ollie Cline, high jumper and state champion pole vaulter; Jim Sinerson and Dick Gross, discus throwers; "Mart" Bricker and Ralph Majors, hurdlers; Dave Boals, shot putter; and all the distance men — Joe Schoop, Pete Vogt, Jim Schuler, "Bud" Leppert, Paul Hammond, Jim and Bob Kibler, Wallace and Kenny Cline, and Rudy Sheetz. These are just a few of the men that comprise the team that are expected to win the District with ease.

### TRACK SQUAD:

**Bottom Row:** C. Alexander, G. Carlisle, H. Leppert, J. Schuler, P. Vogt, J. Schopp, M. Bricker, W. McKee, R. Troll, R. Kibler, D. Patterson.

**Top Row:** H. Osbun, J. Kibler, P. Hammond, W. Cline, B. Lindsay, D. Boals, R. Beard, R. Gross, C. Sisco.

# BASEBALL

District champions of last year, the baseball team is out to hold their title, and with eight of the champs back, it probably will.

Here's the lineup—1st base, Shelly Swank; 2nd base, Bill Miller; short stop, Ralph Majors; 3rd base, Gene Sauder; left field, John Glasscock; center field, Jim Meeting; right field, Dave Barnhill; pitchers, Ross Frisbee (absent when pictures were taken), Dick Flockencier, Lou Gregorio, Jack Robertson, Don Gross, and Ted Norton; Joe Miller does all the catching.

Although the Tygers got off to a bad start, they now have a record of three wins (Shelby 9-2, Galion 4-0, and Marion 7-3) and three defeats (Linden McKinley 7-6, Ashland 4-3, Barberton 5-0).

Rain at the beginning of the season kept the team from practice and is partly responsible for the defeats, but the Lympermen are smoothed out now and look like one of the best ball teams ever turned out at M. H. S. and will go far in the state tournament.
